**NARRATIVE:**

Sergio Garibay is a documented gang member with an adult criminal history that began at the age of 19. He has been convicted twice of possession of a firearm by felon, grand theft auto, burglary and failing to report. He has served multiple incarcerations the longest a 16 month term for felon in possession of a firearm. Garibay was released from state prison to the supervision of the Los Angeles County Probation Department on November 8, 2011. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in July 31, 2014 after he absconded from post release community supervision (PRCS). Garibay qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for felon in possession of a firearm is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
